Ireland Internships
Sample Placements

“My internship was amazing; I was able to learn many hands-on techniques and help out with a research project in an exercise physiology lab. I couldn't have asked for a better job and I feel that this experience will be very beneficial to me in the future.” - Elizabeth F. University of Massachusetts – Amherst, Intern in Dublin

“I came to Dublin nervous, anxious and scared I had made the wrong decision coming abroad. I am leaving with life long friends and contacts. It was absolutely one of my best decisions yet.” – Alicia, Intern in Dublin
